 - a Waiver for a Driveway Permit
3. Hawkers & Peddlers Licenses Aptive Environmental LLC (10 applicants)
4. Bridge Lighting NH DOT Project
5. Accessible Parking Space Request 11 J Street

X. Closing Comments

XI. Adjournment

Town of Hampton

July 27, 2026

Present: Carleigh Beriont, Chair
Jeffrey Grip, Vice-chair
Amy Hansen
Donald Bliss
Charles Rage
James Sullivan, Town Manager

Chair Beriont opened the meeting at 7:00 p.m. [-1:37:30]

SALUTE TO THE FLAG

I. Public Comment [Time limitation of three (3) minutes] [-1:36:48]

Caroline Gagan, 20 Harris Ave, Unit #5: Has concerns with Sel. Rage's conflict regarding trash collection; residents have a right to speak on issues involving their tax dollars; thanked the Town Manager and board members who corrected the misinformation said.

II. Announcements and Community Calendar [-1:33:50]

III. Approval of Minutes [-1:23:34]

1. July 13, 2026 Goal Setting Session – No changes
2. July 13, 2026 Joint Meeting with Planning Board – No changes
3. July 13, 2026 Regular Meeting – Corrections

July 13th Regular Meeting minutes: page 1 correct the spelling of "Bamforth"; page 6, 2nd paragraph last sentence add "taxation", change fee to "tax"; 3rd paragraph add "is to pursue cost recovery".

Sel. Hansen MOTIONED to APPROVE the minutes of July 13, 2026 Goal Setting Session, SECONDED by Sel. Grip. Motion passed 4-0-1 (Rage)

Sel. Rage MOTIONED to APPROVE the minutes of July 13, 2026, the Joint Meeting with Planning Board and the amended minutes of the Regular Meeting, SECONDED by Sel. Hansen. Motion passed 5-0-0.

IV. Consent Agenda [-1:30:39]

1. Cemetery Deed: Mission Family Trust, Robert Mission I-7/11/2/1&3; Smith, Carolyn K. I-7/13/1/1
2. Donation: Police Dept. from Crimeline for the Hamptons of \$1,180
3. Lane Library Trustee Alternate: Wendi Lewis
4. Parade & Public Gathering Licenses: Global War on Terrorism 9/11, Seacoast Century Bicycle Ride 9/26
5. Raffle Permit "Save our Sanford" Hampton Fire Fighters Charitable Organization Live on Facebook 09/05

Sel. Bliss: Requests Ocean Gaming be pulled for discussion.

Sel. Grip MOTIONED to MOVE the Consent Agenda items 1 through 5, SECONDED by Sel. Rage. Motion passed 5-0-0.

6. Ocean Gaming LLC dba Beach Club Casino Entertainment License Amendment for DJ/Indoor and Outdoor Entertainment Monday through Sunday

Discussion. Requesting to have entertainment 7-days, currently only Friday and Saturday; no issues with Police Dept. or Fire Dept.; will have same rules/requirements as the original license.

Sel. Bliss MOTIONED to APPROVE Ocean Gaming LLC dba Beach Club Casino Entertainment License Amendment for DJ/Indoor and Outdoor Entertainment Monday through Sunday, SECONDED by Sel. Rage. Motion passed 5-0-0.

Sel. Bliss: Concerned that there is personal identifiable information on permit applications, inappropriate that that information ends up in public facing documents; suggestion of creating a confidential page containing the personal identifiable information, used only for investigation purposes.

Sel. Bliss MOVED that it is the policy of the town of Hampton that all personally identifiable information (PII), such as dates of birth, driver's license numbers, and social security numbers, be redacted from all permit applications and other documents that are publicly available, and further that personally identifiable information be provided only to those town departments that require the information for investigative purposes, SECONDED by Sel. Grip. Motion passed 5-0-0.

V. Appointments [-1:24:48]

1. Chief McMahon, Fire Department
a. Quarterly Report

Chief McMahon: Personnel & Administration: We have two new probationary firefighters; Joshua Moulton, and Zachary Conlon, with these two we now have full roster staffing. Operations & Response: As of this morning the department handled 2,048 calls which involved 3700 plus unit responses, many calls are multi-response; essentially unchanged from last year; including receiving Mutual Aid 62 times and provided Mutual Aid 46 times. EMS: The new Ambulance 3 has been placed into service, and we were able to sell the old ambulance. In June we received the simulation mannequins for advanced EMS training; in April the new advanced sepsis protocol was rolled out, Hampton is one of three agencies that have this protocol, it has been used eight times; sepsis happens about 1.7 million times in the United States a year and 350,000 people die from it.

I would like to recognize all the firefighters and officers who responded to the shooting on July 5th; it was a dynamic fast moving operation involving injuries patterns not often seen. Thank you to Hampton Police and NH State Police, who ended the incident quickly and provided a safe work environment for our firefighters and EMS providers. It is a meaningful thing to know, and we are fortunate to live in a community where both agencies, actually all the town departments, work well together.

TM Sullivan: I read in an article today where the victim and his family talked about his injuries and what the doctors have attributed to giving him a chance to survive. The police department has incorporated a training module led by the fire department to include chest seals and it was

the application of a chest seal by the officers that gave that individual the best chance for life. It is important to acknowledge that cooperative partnership and training under Chief McMahon and Chief Reno's leadership.

Chief McMahon: Spring is the busiest time for the Fire Prevention Office; the office has performed 850 inspections; as you see in the response numbers, there's not a lot of fire activity, which is a direct reflection of the effects of the inspections; 308 permits issued, 168 violations identified, 104 corrected.

b. Ladder Truck Update

Chief McMahon: Four bids received; bid compliance review completed; two bids were under the 1.8 million appropriated; working on the financing and lease details; expecting to attend the Board's second meeting in August to move the project forward.

Chief McMahon: In June, the first of the combined functional exercises for the biennial radiological emergency preparedness cycle was held; it really is just training at this point because we have such a mature team; the graded exercise will be on the 29th of August.

c. Personal Protective Equipment (PPE) approval from the Firefighters Turn Out Gear/Personal Protective Equipment Capital Reserve Fund (CRF)

Chief McMahon: Requesting permission to utilize the CRF for PPE for Firefighters Brooks, Nikas and Gansburg, the amount is \$17,373.

Sel. Hansen MOTIONED to AUTHORIZE the expenditure of \$17,373 as outlined in Chief McMahon's memo of 07/22/206 for the PPE to come from the PPE fund, SECONDED by Sel. Rage. Motion passed 5-0-0.

d. Planet Fitness Donation

Chief McMahon: Planet Fitness donated fitness equipment for the Beach station, value is \$3,500.

Sel. Hansen MOTIONED to APPROVE the \$3,500 donation to the Beach Fire Station for the Fire Department from Planet, SECONDED by Sel. Bliss. Motion passed 5-0-0.

e. Car 5 Replacement

Chief McMahon: Car 5 was totaled in a crash early this year; the vehicle was used by members traveling to training events; the plan is to reassign the EMS Officer's vehicle as Car 5 and purchase a new vehicle from MacMulkin Chevrolet (state bid price); requesting a waiver from §718-3 (2) of the purchasing policy to use Island Technical Services (ITS) as a selected vendor for the upfitting of the vehicle; this project is entirely funded by the EMS (027) Fund.

Sel. Rage MOTIONED to APPROVE Island Technical Services (ITS) for the upfitting of the vehicle as it is in the best interest of the community, SECONDED by Sel. Bliss. Motion passed 5-0-0.

Discussion. Board members complimented the chief and his staff for the tremendous work they do, and with the training of the police officers.

2. Jen Hale, DPW Director

a. DPW Facility Study RFP

Dir. Hale: The Warrant Article for the DPW Facility Study was approved at town meeting. Looking ahead at the needs of the DPW. We posted the RFP and sent it to ten vendors, receiving nine strong proposals from firms across New England. We are recommending that this study be awarded to Weston & Sampson; while they were not the lowest proposal; they provided a detailed scope of work, plan to use an operations-based planning approach, have extensive public engagement, have experience completed over 130 similar public works and vehicle maintenance projects. The purchasing policy states that the proposal shall be awarded to the lowest responsible bidder proposer, except that in addition to price that the following is considered; the ability, the capacity to perform the study, their character, their integrity, their reputation and the quality of their work, Weston & Sampson's proposal meet those requirements. We are asking respectfully that the Select Board issue a waiver in accordance with §718-18 as Western & Sampson was not the lowest and to authorize the Town Manager to execute a contract with Western & Sampson which includes their scope of work, in the amount of \$63,000 for the completion of the DPW facility study.

Discussion. Sel. Rage pointed out the variance in cost between the lowest three proposals was minimal. The cost came in under the amount allocated at Town Meeting. The timeline for the study could be at end of November, maybe December. Weston & Sampson have a coastal resilience division and understand the need to make sure [the facility] is prepared for the future.

Sel. Bliss MOVED to issue a waiver in accordance with §718-18 and authorize the Town Manager to execute a contract with Western & Sampson which includes their response to the proposal in the amount of \$63,000 for the completion of the DPW facility study, SECONDED by Sel. Grip. Motion passed 5-0-0.

Dir. Hale: Hiring is not going well. The department is short 12 full-time employees. Daily work must be prioritized, using all staff and rotating them in different jobs; literally making decisions day by day. The severity of the situation may get to a point where the town must augment trash collection services with outside assistance.

A discussion of downtown parking considered replacing the head in parking on the west side of Route 1 with parallel parking. The addition of blue parking signage, working on better placement of the signs. As well as a discussion of adding a Roundabout at Five Corners.

VI. Town Manager's Report [-39:54]

1. Rail Trail: The Ribbon Cutting Ceremony to officially open the Hampton Branch of the Rail Trail will be held on August 4th from 4:00 p.m. to 5:00 p.m. at the trail head at the North Hampton/Hampton town line. The Board has been invited to attend along with State officials, Rockingham Planning Commission staff and representatives of non-profits who were instrumental to the project.
2. Hampton Police National Night Out: August 4th from 5:00 p.m. to 8:00 p.m. at Tuck Field. Please come out to this wonderful event and meet your Hampton Police Officers, Hampton Fire Rescue, NH Lifeguards and other first responders.
3. We have seen in the news recently the challenges of the Community Power Coalition of New Hampshire, the Coalition is facing large increases in their electricity rates; Unitil is increasing the default rate of electricity to \$0.14348/kWh (an increase of 19%); Colonial Power Group, our supplier rate will stay at \$0.11345, a savings of \$.03 Per kWh (a \$20 monthly savings on an average residential customer using 670 kWh).

Chair Beriont: The Capital Improvement Committee will meet on August 10th and 17th from 2:00 p.m. to 5:00 p.m.

VII. Committee Reports (No reports) [-36:44]

VIII. Old Business [-36:34]

1. 79-E Joint Board Working Group – renamed 79-E Advisory Committee

Chair Beriont: The Select Board and Planning Board held a facilitated joint meeting on July 13th; at the meeting it was discussed creating a committee to review and update the Community Revitalization Tax Relief Incentive ordinances (RSA 79-E).

Sel. Grip: Outlined a motion to establish a committee to be an advisory committee to the Select Board; membership would include (2) Select Board members, (2) Planning Board members, and (3) staff members from Planning, Finance, and Assessing; primary objective would be to ensure 79-E aligns with the Master Plan; review the substantial rehabilitation threshold; draft modified public benefits and a covenant template; creating a financial review process. A final report to both the Select Board and Planning Board no later than the end of October 2026. The initial members would be Sharon Mullen, Ryan Pope, Don Bliss, Jeff Grip, Andrea Novotney, Kristy Pulliam, and Julie Glover.

Sel. RAGE MOTIONED to ACCEPT the draft resolution as presented for the creation of the 79-E Advisory Committee, SECONDED by Sel. Bliss. Motion passed 5-0-0.

2. Trash Policy: Cost Recovery Discussion

The Board engaged in a lengthy discussion on the cost recovery of the approximately \$500,000 for commercial trash services. The Board directed staff create commercial cost recovery model(s) for Board consideration. The data is expected to be shared with board members and made public. The model should include capital costs. There was discussion regarding the data limitations, and the potential that this topic could/should be a warrant article for the Town to decide.

IX. New Business [-25:30]

1. Hampton Beach Village District Car Show

a. Request for use of Ashworth Avenue parking lot on 9/19; Rain date 9/20

Sel. Rage: It is the same event as proposed in May with the same requirements. It is the weekend of the Fire Show.

Sel. Hansen MOTIONED to APPROVE the Hampton Beach Village District Car Show Request for use of Ashworth Avenue parking lot on 9/19; Rain date 9/20, SECONDED by Sel. Bliss. Motion passed 4-0-1 (Rage).

2. Charles Bolianites, 7 Acadia Avenue

a. Waiver for a Driveway Permit

Discussion. Mr. Bolianites sought a waiver of the driveway regulations (requiring pavement apron) to install cobblestones in his driveway apron. Others in the area have received a waiver in similar conditions. The concern is that the cobblestones can cause damage to the town's plow, and may damage his property. DPW does not object to the request, provided a waiver of liability and hold harmless agreement are in place.

Sel. Rage MOTIONED to APPROVE the Waiver for the pavers in the driveway, provided Mr. Bolianites, 7 Acadia Avenue signs the waiver of liability and hold harmless agreement, SECONDED by Sel. Grip. Motion passed 4-0-1 (Hansen).

3. Hawkers & Peddlers Licenses Aptive Environmental LLC (10 applicants)

The Chief has concerns and is following up on them, as of yet his report is not back.

Sel. Bliss MOTIONED to TABLE the Aptive Hawkers & Peddlers License Application, SECONDED by Sel. Rage. Motion passed 5-0-0.

4. Bridge Lighting NH DOT Project Seabrook/Hampton Bridge [-16:10]

Discussion. The Board discussed the lack of lighting in the design of the New Hampshire Department of Transportation (NHDOT) bridge project. The safety concerns that were recently identified in a local newspaper article and social media posts. Sel. Rage shared his understanding that Executive Councilor Stevens and Governor Ayotte are aware of the concerns and are advocating that solar lighting be installed. Despite early claims that lighting couldn't be added due to missing conduits, it appears pedestrian foot lighting is under consideration. The Board supports the addition of safety lighting on the Bridge. Town staff have advocated for lighting since the initial planning stages of this project. DOT has indicated lighting was not included due to future maintenance costs concerns. The Board discussed sending a letter to Governor Ayotte and Executive Councilor Stevens in support of any effort to install safety lighting on the bridge.

Sel. Grip MOTIONED to send a letter to that effect SECONDED by Sel. Bliss. Motion passed 5-0-0.

5. Accessible Parking Space Request 11 J Street

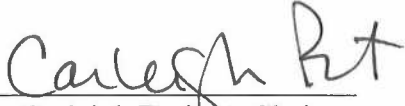

Sel. Bliss MOTIONED to TABLE the Accessible Parking Space Request at 11 J Street, SECONDED by Sel. Rage. Motion passed 5-0-0.

X. Closing Comments [-2:03]

XI. Adjournment [-1:59]

Sel. Rage MOTIONED to ADJOURN the public session at 8:35 p.m., SECONDED by Sel. Hansen. Motion passed 5-0-0.

Thank you Channel 22.

Carleigh Beriont, Chair

Minutes prepared by K. Ostman
